

SOUTH & NORTH INDIAN RECIPES

A 200-page practical cookbook of traditional and everyday Indian dishes

Recipe Collection

South Indian • North Indian • Regional Specialities • Snacks • Sweets • Cooking Tips

How to Use This Book

Each recipe includes a simple ingredient list, preparation method, serving guidance and a practical cooking note. Quantities can be adjusted according to family size and taste.

Recipe 1: Idli

Category: South Indian

Ingredients

rice, urad dal, fenugreek, salt.

Preparation

Soak, grind, ferment, pour into moulds and steam.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Idli — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 2: Masala Dosa

Category: South Indian

Ingredients

dosa batter, potato, onion, chilli, spices.

Preparation

Prepare potato masala, spread batter thinly, fill and fold.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Masala Dosa — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 3: Medu Vada

Category: South Indian

Ingredients

urad dal, pepper, curry leaves, chilli, salt.

Preparation

Grind soaked dal, shape and deep-fry until crisp.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Medu Vada — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 4: Upma

Category: South Indian

Ingredients

rava, onion, vegetables, mustard, curry leaves.

Preparation

Roast rava, prepare tempering, add water and cook with rava.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Upma — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 5: Ven Pongal

Category: South Indian

Ingredients

rice, moong dal, pepper, cumin, ginger, ghee.

Preparation

Cook rice and dal soft, then mix with ghee tempering.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Ven Pongal — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 6: Lemon Rice

Category: South Indian

Ingredients

cooked rice, lemon, peanuts, mustard, curry leaves.

Preparation

Make tempering, add lemon mixture and combine with cooled rice.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Lemon Rice — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 7: Coconut Rice

Category: South Indian

Ingredients

rice, coconut, mustard, urad dal, chilli.

Preparation

Prepare coconut tempering and mix gently with cooked rice.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Coconut Rice — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 8: Curd Rice

Category: South Indian

Ingredients

rice, curd, milk, mustard, curry leaves.

Preparation

Mash cooled rice, mix with curd and finish with tempering.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Curd Rice — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 9: Sambar

Category: South Indian

Ingredients

toor dal, vegetables, tamarind, sambar powder.

Preparation

Cook dal and vegetables, add spices and tamarind, simmer.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Sambar — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 10: Rasam

Category: South Indian

Ingredients

tomato, tamarind, pepper, cumin, dal water.

Preparation

Boil tomato-tamarind base, add spices and finish with tempering.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Rasam — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 11: Bisibele Bath

Category: South Indian

Ingredients

rice, dal, vegetables, tamarind, spices.

Preparation

Cook rice and dal, add vegetables and spice mixture, simmer.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Bisibele Bath — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 12: Vegetable Uttapam

Category: South Indian

Ingredients

dosa batter, onion, tomato, carrot, chilli.

Preparation

Pour thick batter, top with vegetables and cook both sides.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Vegetable Uttapam — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 13: Pesarattu

Category: South Indian

Ingredients

green gram, ginger, chilli, onion.

Preparation

Soak and grind green gram, spread batter and cook on tawa.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Pesarattu — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 14: Appam

Category: South Indian

Ingredients

rice, coconut, yeast, sugar, salt.

Preparation

Prepare fermented batter and cook thin-edged appams.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Appam — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 15: Vegetable Kurma

Category: South Indian

Ingredients

mixed vegetables, coconut, spices.

Preparation

Cook vegetables and simmer with coconut-spice gravy.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Vegetable Kurma — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 16: Avial

Category: South Indian

Ingredients

mixed vegetables, coconut, curd, curry leaves.

Preparation

Cook vegetables gently and combine with coconut-curd mixture.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Avial — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 17: Puliendarai

Category: South Indian

Ingredients

rice, tamarind, peanuts, sesame, spices.

Preparation

Prepare tamarind paste, mix with rice and garnish.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Puliyodarai — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 18: Mysore Pak

Category: South Indian

Ingredients

gram flour, sugar, ghee.

Preparation

Cook gram flour with syrup and ghee until set.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Mysore Pak — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 19: Payasam

Category: South Indian

Ingredients

milk, rice/vermicelli, sugar, cardamom, nuts.

Preparation

Cook rice or vermicelli in milk, sweeten and garnish.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Payasam — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 20: Kesari Bath

Category: South Indian

Ingredients

rava, sugar, ghee, cardamom, saffron.

Preparation

Roast rava, cook with water, sugar and ghee.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Kesari Bath — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 21: Roti

Category: North Indian

Ingredients

whole wheat flour, water, salt.

Preparation

Knead soft dough, rest, roll and cook on hot tawa.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Roti — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 22: Aloo Paratha

Category: North Indian

Ingredients

wheat flour, potato, chilli, spices.

Preparation

Stuff spiced potato into dough, roll and cook with ghee.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Aloo Paratha — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 23: Naan

Category: North Indian

Ingredients

flour, yogurt, yeast, salt.

Preparation

Make soft dough, ferment, shape and cook in high heat.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Naan — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 24: Paneer Butter Masala

Category: North Indian

Ingredients

paneer, tomato, butter, cream, spices.

Preparation

Prepare tomato gravy, add paneer and finish with cream.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Paneer Butter Masala — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 25: Palak Paneer

Category: North Indian

Ingredients

spinach, paneer, onion, tomato, spices.

Preparation

Blanch and blend spinach, cook gravy and add paneer.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Palak Paneer — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 26: Dal Tadka

Category: North Indian

Ingredients

dal, onion, tomato, garlic, cumin, ghee.

Preparation

Cook dal, prepare onion-tomato base and finish with garlic tadka.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Dal Tadka — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 27: Dal Makhani

Category: North Indian

Ingredients

black gram, kidney beans, butter, cream.

Preparation

Slow-cook beans and finish with butter and cream.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Dal Makhani — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 28: Chole

Category: North Indian

Ingredients

chickpeas, onion, tomato, chole masala.

Preparation

Cook chickpeas in onion-tomato spice gravy.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Chole — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 29: Rajma

Category: North Indian

Ingredients

kidney beans, tomato, onion, spices.

Preparation

Cook beans until tender and simmer in masala gravy.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Rajma — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 30: Aloo Gobi

Category: North Indian

Ingredients

potato, cauliflower, onion, tomato, spices.

Preparation

Cook vegetables with cumin and spices until tender.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Aloo Gobi — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 31: Bhindi Masala

Category: North Indian

Ingredients

okra, onion, tomato, spices.

Preparation

Pan-cook sliced okra and combine with spiced onion-tomato masala.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Bhindi Masala — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 32: Jeera Rice

Category: North Indian

Ingredients

basmati rice, cumin, ghee, salt.

Preparation

Cook rice and temper cumin in ghee before mixing.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Jeera Rice — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 33: Veg Biryani

Category: North Indian

Ingredients

basmati rice, vegetables, yogurt, spices.

Preparation

Layer spiced vegetables and partially cooked rice; steam.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Veg Biryani — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 34: Butter Chicken

Category: North Indian

Ingredients

chicken, tomato, butter, cream, spices.

Preparation

Cook chicken, simmer in tomato-butter gravy and finish with cream.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Butter Chicken — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 35: Chicken Tikka

Category: North Indian

Ingredients

chicken, yogurt, spices, lemon.

Preparation

Marinate chicken and grill or bake until cooked and charred.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Chicken Tikka — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 36: Kadhi

Category: North Indian

Ingredients

yogurt, gram flour, spices, pakora optional.

Preparation

Whisk yogurt and gram flour, simmer and add tempering.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Kadhi — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 37: Gajar Halwa

Category: North Indian

Ingredients

carrot, milk, sugar, ghee, nuts.

Preparation

Cook grated carrot in milk, add sugar and ghee until thick.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Gajar Halwa — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 38: Gulab Jamun

Category: North Indian

Ingredients

milk solids, flour, sugar syrup, cardamom.

Preparation

Shape dough balls, fry gently and soak in warm syrup.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.

Cooking Tip: Use fresh ingredients and maintain medium heat unless the method specifically requires high heat.

Gulab Jamun — Detailed Cooking Notes

Preparation checklist

1. Wash and prepare ingredients.
2. Measure spices before starting.
3. Keep the cooking vessel ready and preheated when required.
4. Taste before final serving and adjust seasoning.

Serving Ideas

Pair with a suitable rice, roti, dosa, chutney, raita, sambar or vegetable side dish depending on the recipe.

Storage Note

Allow cooked food to cool appropriately before refrigeration. Reheat thoroughly before serving. Store dairy- and meat-based dishes safely.

Recipe 39: Kheer

Category: North Indian

Ingredients

milk, rice, sugar, cardamom, nuts.

Preparation

Slow-cook rice in milk, sweeten and garnish.

Serving: Serve hot or as traditionally preferred. Adjust salt and spice to taste.
